Microsoft creates site for Ford buyers.

Jedlicka, Dan

Chicago Sun Times (IL), p50(1)

Sept 21, 1999

Language: English Record Type: Abstract

Document Type: Newspaper; Trade

#### ABSTRACT:

Microsoft Corp has announced that car and truck buyers of Ford Motor Co vehicles will be able to custom order via Microsoft's

CarPoint Internet car information/buying Web site.

The new venture between Microsoft and Ford will allow customers to get the vehicle they want from the factory floor, dealer lots or distribution centers. Ford said that the venture will be beneficial for the company in cutting its inventories and streamline its manufacturing process.
